Turn on that radio
As loud as it can go
Wanna dance until my feet can't feel the ground(feel
the ground)
Say goodbye to all my fears
One good song, they disappear
And nothin' in the world can bring me down(bring me
down)

Hand clappin'
Hip shakin'
Heart breakin'
There's no fakin'
What you feel
When you're right at home, yeah

Music's in my soul
I can hear it
Everyday and every night
It's the one thing on my mind
Music's got control
And I'm never letting go, no, no
I just wanna play my music
(Woo!)
(Music)

Got my six string on my back
Don't need anything but that
Everythin' I want is here with me(here me)
So forget that fancy car
I don't need to go that far
What's driving me is following my dreams, yeah

Hand clappin'
Hip shakin'
Heart breakin'
There's no fakin'
What you feel
When you're on a roll, yeah

Music's in my soul
I can hear it

Everyday and every night
It's the one thing on my mind
Music's got control
And I'm never letting go, no, no
I just wanna play my music

Can't imagine what it'd be like (what it'd be like)
Without the sound of all my heroes
Singin' all my favorite songs
So I can sing along

Music's in my soul
I can hear it
Everyday and every night
It's the one thing on my mind
Music's got control
And I'm never letting go, no, no
I just wanna play my music

So forget that fancy car
I don't need to go that far
What's driving me is following my dreams, yeah

Hand clappin'
Hip shakin'
Heart breakin'
There's no fakin'
What you feel
When you're on a roll, yeah

Music's in my soul
I can hear it
Everyday and every night
It's the one thing on my mind
Music's got control
And I'm never letting go, no, no
I just wanna play my music
All night long
YEAH!
