I didn't wanna say I'm sorry
For breaking us apart
I didn't wanna say it was my fault
Even though I knew it was
I didn't wanna call you back
Cause I knew that I was wrong
Yeah I knew, I was wrong

One in the same, never to change
Our love was beautiful
We had it all, destined to fall
Our love was tragical
Wanted to call, no need to fight
You know I wouldn't lie
But tonight, we'll leave it on the line

Listen baby,
Never would've said forever
If we knew we'd end so fast
Why did you say I love you
If you knew that it wouldn't last
Baby, I just can't hear what you're sayin
The line is breakin up
Or is that just us...or is that just us?

One in the same, never to change
Our love was beautiful

We had it all, destined to fall
Our love was tragical
Wanted to call, no need to fight
You know I wouldn't lie
But tonight, we'll leave it on the line

Try to call again, I get your mailbox
Like a letter left unread
Apologies are often open ended
But this one's better left unsaid

One in the same, never to change
Our love was beautiful
We had it all, destined to fall

Our love was tragical
Wanted to call, no need to fight
You know I wouldn't lie
But tonight, we'll leave it on the line

We'll leave it on the line
(Yeah, oh yeah)
We'll leave it on the line tonight
(Wooo)
