Wednesday, I came home from school
Did my homework in my room
Then I watched some TV
I still miss you

Thursday, morning went on line
Got to school at half past nine
Wound up in detention
I still miss you

Everything I do
Brings me back to you

And I die
One day at a time
'Cause I just can't seem
To get you off my mind

No matter how I try
Try to kill the time
Well, I think that I'm just going crazy
One day at a time

Friday, I got out of bed
Tried to smile, frowned instead
Burnt some toast for breakfast
I still miss you

Saturday, I turned sixteen
Never dreamt you'd act so mean
You didn't even call me
But I still miss you

And when I turn ninety four
I think I'll miss you even more

And I die
One day at a time
'Cause I just can't seem
To get you off my mind

No matter how I try

Try to kill the time
Well, I think that I'm just going crazy
One day at a time

I miss you more
Than I did a minute ago
I'd climb a mountain
Just to hear your echo, you

All I wanted was you and tell me please
Do you think of me now and then
'Cause if I'll never see you again
I'll still miss you

And I die
One day at a time
'Cause I just can't seem
To get you off my mind

No matter how I try
Try to kill the time
Well, I think that I'm just going crazy
One day at a time

Oh, one day at a time
Well, I think that I'm just going crazy
One day at a time
Oh, I think, I'm going crazy
One day at a time
