I make the most of all the stress
I try to live without regrets
But I'm about to break a sweat
I'm freakin' out

It's like a poison in my brain
It's like a fog that blurs the scene
It's like a vine you can't untangle
I'm freakin' out

Every time I turn around
Something don't feel right
Just might be paranoid
I'm avoiding the lines cause they just might split
Can someone stop the noise?
I don't know what it is,
But it just don't fit
I'm paranoid

Yeah

I take the necessary steps
To get some air into my chest
I'm takin' all the doctor's meds
I'm still freaking out

That's why my ex is still my ex
I never trust a word she says
I'm runnin' all the background checks
And she's freaking out

Every time I turn around, something's just not right
Just might be paranoid
I'm avoiding the lines cause they just might split
Can someone stop the noise?
I don't know what it is
But it just don't fit
Consider me destroyed
I don't know how to act cause I lost my head
I must be paranoid
I never thought it would come to this
I'm paranoid

Stuck in the room
Of staring faces
Yeah
I'm caught in a nightmare
Can't wake up
If you hear my cry, running through her streets
I'm about to freak
Come and rescue me

Just might be paranoid
Yeah
I'm avoiding the lines cause they just might split
Can someone stop the noise?
I don't know what it is
But it just don't fit
Consider me destroyed
I don't know how to act
'Cause I lost my head
I must be paranoid
I never thought it would come to this
I'm paranoid
