i know how to bring  
laugh and its your time  
im loud and clear

jump on the crowd when you sing  
play it straight

i do not know  
if its all done  
for this late time  
i dont care  
play it straight  
people is laughing at me  
i do not want that to happen to me

i if you still complain  
the entire stay  
oh,likely to say that you  
could come to me  
in my sight  
do not oh,  
play it straight

i dream of nothing else just unew  
everything i say hurry up its okay  
frightend me tonight  
you knew oh,

please tell me

play it straight oh,  
believe in me right now  
play it straight i dont want to say okay  
fits in my hand so what
