(Music)

Turn on that radio  
As loud as it can go  
Wanna dance until my feet can't feel the ground (feel  
the ground)  
Say goodbye to all my fears  
One good song, they disappear  
And nothing in the world can bring me down (bring me  
down)

Hand Clapping  
Hip Shaking  
Heart Breaking  
There's no faking  
What you feel  
When you're right at home, yeah

[Chorus]  
Music's in my soul  
I can hear it  
Every day and every night  
It's the one thing on my mind  
Music's got control  
and I'm never letting go  
No, no  
I just want to play my music  
Woo

(Music)

Got my six string on my back  
Don't need anything but that  
Everything I want is here with me  
So forget that fancy car  
I don't need to go that far  
And what's driving me is following my dreams  
Yeah

Hand Clapping  
Earth Shaking  
Heart Breaking

There's no faking

What you feel  
When you're on a roll, yeah

[Chorus]  
Music's in my soul  
I can hear it  
Every day and every night  
It's the one thing on my mind  
Music's got control  
and I'm never letting go  
No, no

I just want to play my music  
I just want to play my music

Can't imagine what it'd be like  
Without the sounds of all my heros  
Singing all my favorite songs  
So I can sing along

[Chorus]  
Music's in my soul  
I can hear it  
Every day and every night  
It's the one thing on my mind  
Music's got control  
and I'm never letting go  
No, no  
I just want to play my music

Music's in my soul  
I can hear it  
Every day and every night  
It's the one thing on my mind  
Music's got control  
and I'm never letting go  
No, no  
I just want to play my music  
All night long  
Yeah!
