They come and go
But they don't know
That you are my
Beautiful
I try to come
Closer with you
But they all say
We won't make it through

But I'll be there forever
You will see that it's better
All our hopes and our dreams will come true
I will not disappoint you
I will be right there for you
Till the end
The end of time
Please be mine

I'm in and out
Of love with you
Trying to find
If it's really true

Na, na, na, na

How can I
Prove my love
If they all think
I'm not good enough

But I'll be there forever
You will see that it's better
All our hopes and our dreams will come true
I will not disappoint you
I will be right there for you
Till the end
The end of time
Please be mine

I can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

I can't stop the rain from falling
Can't stop my heart from calling you
It's calling you

I can't stop the rain
I can't stop the rain from falling
(Can't stop my heart from calling you)
It's calling you

But I'll be there forever
You will see that it's better (much better)
All our hopes and our dreams
They will come true
I will not disappoint you
I will be right there for you
Till the end
The end of time
Please be mine
