Run,run like you do
I'm chasing you
on your tail I'm gaining fast
you're going nowhere
try to fix what you've done
turn back the time
the night is calling
and we're falling faster now

pushing me away
every last word
every single thing you say
pushing me away
try to stop now but it's already too late
pushing me away
it's okay to say it to my face
pushing me away
push push pushing me away

tell me the truth
cause I'm so confused
standing round
these walls are fallin down
and I need you
more than you know
not letting go
it's getting close
so take my hand
and please just tell me why you're

pushing me away
every last word
every single thing you say
pushing me away
try to stop now but it's already too late
pushing me away
it's okay to say it to my face
pushing me away
push push pushing me away

push push pushing me away x7

pushing me away
every last word
every single thing you say
pushing me away
try to stop now but it's already too late
pushing me away
it's okay to say it to my face
pushing me away
push push pushing me away
