[Verse 1:]

Run, Run like you do
I'm chasing you
I'm on your tail
I'm gaining fast
Your going nowhere
Try to fix what you've done
Turn back the sun
The night is calling
And then we're falling faster now

[Chorus:]

Pushing me away
Every last word, every single thing you say
Pushing me away
Try to stop me now but it's already to late
Pushing me away
If you really don't care just say it to my face
Pushing me away
Push, push, pushing me away

[Verse 2:]

Stop! Tell me the truth
Cause i'm so confused
Spinning round these walls are falling down and I need
you
More than you know, I'm not letting go
I'm getting close, so take my hand
And please just tell me why

[Chorus:]

Pushing me away
Every last word, every single thing you say
Pushing me away
Try to stop me now but it's already to late
Pushing me away
If you really don't care just say it to my face
Pushing me away
Push push pushing me away

Push push pushing me away

Push push pushing me away
Push push pushing me away
Push push pushing me away
Push push pushing me away
Push push pushing me away
Push push pushing me away

[Chorus:]

Pushing me away
Every last word, every single thing you say
Pushing me away
Try to stop me now but it's already too late
Pushing me away
If you really don't care just say it to my face
Pushing me away
Push push pushing me away
