joe: i feel like going home.
so much i hate the c word.
i give a thought.
many of the girls dream of our best.

years ago,i went out to home.
i know its so true.
i dont like the c.b.
really i need to be alone.

camera all over so over.
nick:i howl like the stars.
joe:you do like them.
like us oh,
nick:i never forget anything,
in my greatest life.

nick joe:i still need to reach
up high.
i feel so like a star.
joe:i thought you did not want to.
nick:no i want to be a rocker.
