(TAYLOR)

It's strange to think the songs we used to sing  
The smiles, the flowers, everything: is gone  
Yesterday I found out about you  
Even now just looking at you: feels wrong  
You say that you'd take it all back, given one chance  
It was a moment of weakness and you said yas...

{Chorus:}

You should've said no, you should've gone home  
You should've thought twice before you let it all go  
You should've know that word, about what you did with  
her  
Would get back to me (JOE)(get back with me)  
And I should've been there in the back of your mind  
I shouldn't be asking myself why  
You shouldn't be begging forgiveness at my feet...  
You should've said no, baby and you might still have  
me

(JOE)

You can see that I've been crying And baby you know  
all the right: to say  
(TAYLOR) But do you honestly expect be to believe  
We could ever be the same...  
You say that the past is the past'(JoE)you need one  
chance  
(JOE & TAYLOR)It was a moment of weakness and you  
said yes...

(Chorus:)

You should've said no, you should've gone home  
You should've thought twice before you let it all go  
You should've know that word, about what you did with  
her  
Would get back to me (JOE) (get back with me)  
And I should've been there, in back of my mind

I shouldn't be asking myself why  
You shouldn't be begging forgiveness at my feet..  
You should've said no, baby and you might still have  
me

I can't Resist... before you go, tell me this  
Was it worth it..  
Was she worth this..  
No... no no no... (JOE)(COME SING IT WITH US)

(Chorus:)

You should've said no, you should've gone home  
You should've thought twice before you let it all go  
You should've know that word, about what you did with  
her  
would get back to me (JOE) (get back with me)  
And I should've been there, in the back of my mind  
I shouldn't be asking myself why  
You shouldn't be begging for forgiveness at my feet..  
You should'nt said no, baby and you might still have  
me
