Rewind July last summer  
I saw Santa jumping through my sprinkler  
Rudolph, Jack Frost, and the reindeer  
Opened up a lemonade stand on my corner  
Two cups for a dollar

Open up your eyes  
(Crazy summertime)  
Don't know what you'll find  
Upside-down  
The weatherman says snow  
But it's burning up outside  
It's always summertime

Push play  
Today I saw my girlfriend  
At the beach, putting sunscreen on a penguin  
Just when I thought it couldn't get weirder  
I saw The Grinch at the boardwalk  
With my teacher  
Weird

Open up your eyes  
(Crazy summertime)  
Don't know what you'll find  
Upside-down  
The weatherman says snow  
But it's burning up outside  
It's always summertime  
It's always summertime  
It's always summertime

When my teacher's with The Grinch  
(Crazy summertime)  
And St. Nick is getting drenched  
(Always summertime)  
And now Rudolph's getting rich  
(Crazy summertime)  
All the elves are in Hawaii

Open up your eyes  
(Crazy summertime)

Don't know what you'll find  
Upside-down  
The weatherman says snow  
But it's burning up outside  
It's always summertime

Open up your eyes  
(Crazy summertime)  
Don't know what you'll find  
Upside-down  
The weatherman says snow  
But it's burning up outside  
It's always summertime
