3:48 minutes new album:like its so confused
i dont mine
making self control
on this dreaming
many people had to ask me
(what i am i supposed to do)
(to do to do)

now is the really great same time
did you really asked how
(to many crowds)
(so many oh,)
tell me again how its done
know how its true

so ive become so loud
selfcontrol is the only one we know
just like it seems to many than you think so can you tell
how im mad
(tell how tell how)
just like it seems to many than you think so can
you tell how im mad

reach the math
step into the past or forever
now now now now now now now

just mean at me
i dont like you for who you are

now is the really great same time
did you really asked how
(to many crowds)
(so many oh,)
tell me again how its done
know how its true

so ive become so loud
selfcontrol is the only one we know
just like it seems to many than you think so can you tell
how im mad
(tell how tell how)

just like it seems to many than you think so can
you tell how im mad

(how how how how how)
please recieve
you dont even know whats its like to be cold
jump on this big whole crowd now now!
