He's cool, he's hot like a frozen sun.
He's young and fast, he's the chosen one.
People, we're not bragging,
He's the American Dragon.
He's gonna stop his enemies with his dragon power,
Dragon teeth, dragon tail, burning dragon fire,
A real live wire!

American Dragon,
American Dragon,
He's the American Dragon, (break down with the
dragon!)

His skills are getting faster with Grandpa the Master,
His destiny will walk up streets, showtime, baby, for the
legacy!

American Dragon,
American Dragon,
American Dragon,
American Dragon, YOW!!!
