(Verse 1) Demi:

I've always been the kind of girl
That hid my face
So afraid to tell the world
What I've got to say
But I have this dream
right inside of me
I'm gonna let it show
It's time to let you know
To let you know

(Chorus) Demi:

This is real
This is me
I'm exactly where I'm supposed to be, now,
Gonna let the light
Shine on me
Now I found who I am
There's no way to hold it in
No more hiding who I wanna be
This is me

(Verse2) Demi:

Do you know what it's like
To feel so in the dark
To dream about a life
Where your the shining star
Even though it seems
Like it's too far away
I have to believe
In myself
It's the only way

(Chorus) Demi:

This is real
This is me
I'm exactly where I'm supposed to be, now,
Gonna let the light
Shine on me
Now I found who I am
There's no way to hold it in
No more hiding who I wanna be

This is me

(Bridge) Joe & Demi:

Joe:

Your the voice I hear inside my head

The reason that I'm singing

I need to find you

I gotta find you

Your the missing piece I need

The song inside of me

Joe & Demi:

I need to find you

I gotta find you

Demi:

This is real

This is me

Joe & Demi:

I'm exactly where I'm supposed to be now,

Gonna let the light

Shine on me

Now I found who I am

There's no way to hold it in

No more hiding who I wanna be

Demi:

This is me

Joe:

You're the missing piece I need

The song inside of me

Demi:

This is me

Joe:

You're the voice I hear inside my head

The reason that I'm singing

Joe & Demi:

Now I found who I am

There's no way to hold it in

No more hiding who I wanna be

This is me
