Omg, did you hear I'm dating a Jonas Brother?
It's soo hot

That didn't work you shoulda known better
It's gonna suck when the camera stops rollin'
And you find out soon that the treatment wasn't worth it
They're all the same, they all want the money
They're all insane, they live for fame, honey
They laugh at you when you're not even bein' funny

Well I've been here before
And I've seen
First hand and front row seat
This little thing they call
A video girl (girl, girl)

Video girl rocked my world
For a whole two seconds
And now I know
I'm not about to be another victim
(Of the video girl syndrome)
Get out of my face
Get out of my space
Get some class and kiss the past
'Cause I'm not about to be another victim
Of the video girl syndrome

You know it's bad when your momma doesn't like her
All your friends are sayin' she's a lair
Never ending phone calls aren't enough
(It's not enough, it's never enough)
Move to L.A
Got no talent
Not even like you won a miss teen pagent
Daddy pays your bills but you still whine

Well I've been here before
And I've seen
First hand and front row seat
What happens to a man
(What happens to a man)
When he gets in the hands of a

Video girl rocked my world
For a whole two seconds
And now I know
I'm not about to be another victim
(Of the video girl syndrome)
Get out of my face
Get out of my space
Get some class and kiss the past
'Cause I'm not about to be another victim
Of the video girl syndrome

You are never gonna see me missin'
Video girl syndrome
I'm not gonna be another victim of the video girl
syndrome

Yeah oh woah oh
Video girl rocked my world
For a whole two seconds
And now I know
I'm not about to be another victim
I won't be a victim
(Of the video girl syndrome)
Get out of my face
Get out of my space
Get some class and kiss the past
I'm not about to be another victim
(Of the video girl syndrome)
I won't be a victim
Of the video girl syndrome
