## "We Got The Party"

Visit "[We Got The Party](#)" on [MotoLyrics.com](http://MotoLyrics.com)

(feat. Miley Cyrus / Hannah Montana)

[HANNAH:]

Come on guys tell me what we're doing  
We're hangin' around when we could be all over the  
place

[JOE:]

The sun is shinin' just the way we like it  
Let's get out of this hall and  
Show the world our face

[HANNAH:]

It's Friday but there's nowhere to go  
Anywhere is cool but we're not going home

[NICK:]

we can do anything we wanna do  
its all up to me and you

[ALL:]

[Chorus:]

Turn this park into a club  
the stars are lights and the moon is bright from above  
skateboard here's all right, so pull on up  
Everyone is waiting for us

So anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us

[HANNAH:]

Oh oh oh oh oh oh oh oh oh oh oh oh  
We got the party with us  
Oh oh oh oh oh oh  
We got the party with us

[JOE:]

Radio, let me be a DJ  
I'll turn you up keep us moving 'till we're on a roll

[ALL:]  
Everyone is dancing to their own beat  
And letting go, everybody here's gotta soul

[NICK:]  
It's Friday and there's nowhere to be  
we're kickin' it together it's so good to be free  
We got each other and that's all we need

The rest is up to you and me

[ALL:]  
[Chorus]

[JOE:]  
So anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us

[HANNAH:]  
Wooo!  
We got the party!

[Bridge:]  
Life is for dreamers and I'm a believer  
That nothing can stand in our way today let's find the  
place to play

[ALL:]  
[Chorus:]  
Turn this park into a club  
the stars are lights and the moon is a vibe from above  
This skateboard here's our ride so pull on up  
Everyone is waiting for us

Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us

Turn this park into a club  
the stars are lights and the moon is a vibe from above  
We got the party with us  
Skateboards here's our ride  
So pull on up everyone is waiting for us

Anywhere we are  
Anywhere we go  
Everybody knows  
We got the party with us  
Anywhere we are  
Anywhere we go  
Everybody knows  
Oh oh oh  
We got the party, we got the party, we got the party, we  
got the party with us  
Oh oh oh oh oh  
We got the party with us
