(Featuring: Hannah Montana, Jonas Brothers)

[Hannah Montana:]

C'mon guys, tell me what we're doin',
We're hangin' around when we could be all over the
place,

[Joe Jonas:]

The sun is shinin' just the way we like it,
Let's get outta this hallway show the world our face,

[Hannah Montana:]

It's Friday, but there's no where to go,
Anywhere is cool, but we're not goin' home,

[Nick Jonas:]

We can do anything we wanna do,
It's all up to me and you.

[Hannah Montana, Nick Jonas, Kevin Jonas, Joe Jonas:]

Turn this park into a club,
The stars are lights,
And the moon is the vibe from above,
Skateboards here's our ride so pull on up,
Everyone is waiting for us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,

[Hannah Montana:]

We got the party with us
We got the party with us

[Joe Jonas:]

Radio, let me be the DJ,
I'll send you up keep us movin' till we're on a role,

[Hannah Montana, Kevin Jonas:]

Everyone is dancin' to their own beat,

So let go everybody here's got a soul,

[Nick Jonas:]

It's Friday, and there's nowhere to be,
We're kickin' it together it's so good to be free,
We got each other and that's all we need,
The rest is up to you and me,

[Hannah Montana, Nick Jonas, Kevin Jonas, Joe Jonas:]

Turn this park into a club,
The stars are lights,
And the moon is the vibe from above,
Skateboards here's our ride so pull on up,
Everyone is waiting for us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,

[Hannah Montana:]

We got the party with us!
We got the party...
We got the party...

[Hannah Montana:]

Life is for dreamers,
And I'm a believer,
That nothing can stand in our way,
Today let's find a place to play!

[Hannah Montana, Nick Jonas, Kevin Jonas, Joe Jonas:]

Turn this park into a club,
The stars are lights,
And the moon is the vibe from above,
Skateboards here's our ride so pull on up,
Everyone is waiting for us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,

Turn this park into a club,

The stars are lights,

And the moon is the vibe from above, (we got the party
with us!)

Skateboards here's our ride so pull on up,
Everyone is waiting for us,

Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,
Anywhere we are, Anywhere we go,
Everybody knows,
We got the party with us,

We got the party...
We got the party...
We got the party with us!
We got the party with us!
