"We Rock" - Camp Rock Cast - Lyrics

'Cause we rock  
We rock  
We rock on  
We rock  
We rock on

Come as you are  
You're a superstar  
World's in your pocket and you know it

You can feel that beat  
Running through your feet  
Hearts racing faster, rock and rollin'

All that you need  
is the music to take you  
to some other place where  
Where you know  
You belong

(Chorus)  
Raise your hands up in the air and scream  
We're finding our voice, following our dreams  
'Cause we rock  
We rock  
We rock  
We rock on  
Nobody in the world's gonna bring us down  
The louder we go, well, the better we sound

'Cause we rock  
We rock  
We rock  
We rock on

We rock, we rock, we rock on  
We rock, we rock, we rock on

Finally letting go  
Loosing all control

Won't stop ourselves because we love it  
Not afraid to be  
Everything you see  
No more hiding out  
We're gonna own it

All that you need  
is the music to take you  
to some other place where  
Where you know  
You belong

(Chrous)  
Raise your hands up in the air and scream  
We're finding our voice, following our dreams  
'Cause we rock  
We rock

We rock  
We rock on  
Nobody in the world's gonna bring us down  
The louder we go, well, the better we sound

'Cause we rock  
Camp Rock  
We rock  
We rock on

We got the music in our souls  
And it's the thing we want the most  
It picks us up when we fall down  
it turns our world around

'Cause we rock  
Camp Rock  
We rock  
We rock on

Every day and every night  
Cause we rock  
Camp Rock  
We rock  
We rock on  
Don't we know, don't we know

(Chrous)  
Raise your hands up in the air and scream  
We're finding our voice, following our dreams  
'Cause we rock  
We rock  
We rock

We rock on  
Nobody in the world's gonna bring us down  
The louder we go, well, the better we sound

'Cause we rock  
Camp Rock  
We rock  
We rock on

(Chrous)  
Raise your hands up in the air and scream  
We're finding our voice, following our dreams  
'Cause we rock  
We rock  
We rock  
We rock on  
Nobody in the world's gonna bring us down  
The louder we go, well, the better we sound

'Cause we rock  
Camp Rock  
We rock  
We rock on

We rock, we rock, we rock on  
We rock, we rock, we rock on
