Pardon my interruption
This drinks just setting in
On my reservations
A reason I don't exist

She says: Can you keep a secret?
A ceremony set for June
I know it's a rush but I just love him so much
I hope that you can meet him soon

No, I don't wanna love, if it's not you
I don't wanna hear, the wedding bells bloom
Though we can't try one last time
But I don't wanna hear the wedding bells chime
Fall asleep and wake me up and I'm trying to see the light
Instead of feeling right
I don't wanna hear the wedding bells chime

The wedding bells, wedding bells, wedding bells

Pardon my harsh reaction
You're putting me on the spot
And if I'm being honest
I'm hoping that I'll get caught
Showing you I'm unhappy
Letting you see my truth
Cause if you recall, our anniversary falls
Eleven nights into June

No, I don't wanna love if it's not you
I don't wanna hear the wedding bells bloom
Though we can't try one last time
But I don't wanna hear the wedding bells chime
Fall asleep and wake me up and I'm trying to see the light
Instead of feeling right
I don't wanna hear the wedding bells chime

The wedding bells, The wedding bells

No, I don't wanna love if it's not you
I don't wanna hear the wedding bells bloom
Though we can't try one last time
And I don't wanna hear the wedding bells chime
Fall asleep and wake me up and I'm trying to see the light
Instead of feeling right

And I don't wanna hear the wedding bells chime

The wedding bells, wedding bells, wedding bells
