

## Jonas Brothers "What I Go To School For"

Visit "[What I Go To School For](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Her voice is echoed in my mind  
I count the days till she is mine  
Can't tell my friends ?cause they will laugh  
I love a girl from senior class

I daydream through freshman math  
She fills out her college apps  
I'll show her a world where we belong  
But she'll have to drive us to the prom

That's what I go to school for  
Even though it is a real bore  
You can call me crazy  
She is so amazing

That's what I go to school for  
Even though it is a real bore  
Girlfriends I've had plenty  
But she's the one that I need

That's what I go to school for  
That's what I go to school for

Her boyfriend's just turning nineteen  
But that doesn't bother me  
He's back at college, out of town  
I find a reason to go 'round

I climb a tree outside her home  
To make sure that she is alone  
She looks up and sees me there  
Still I can't help but stop and stare

That's what I go to school for  
Even though it is a real bore

You can call me crazy  
She is so amazing

That's what I go to school for  
Even though it is a real bore  
Girlfriends I've had plenty

But she's the one that I need

That's what I go to school for  
That's what I, what I, what I go to school for

Everyone that you see all day knows  
You're looking at me in a different way  
I guess that's why my marks are getting so high  
I can see those tell tale signs

Telling me that I was on your mind  
I could see that you want it more when you told me  
That I'm what you go to school for  
I'm what you go to school for

She's made her choice and I'm the one  
At least 'til Graduation comes  
We drive past school to wave goodbye  
My friends they can't believe their eyes

That's what I go to school for  
Even though it is a real bore  
You can call me crazy  
She is so amazing

That's what I go to school for  
Even though it is a real bore  
Girlfriends I've had plenty  
But she's the one that I need

That's what I go to school for  
That's what I, what I, what I go to school for
