I want someone to love me
For who I am
I want someone to need me
Is that so bad?

I want to break our madness
But it's all I have
I want someone to love me
For who I am

Nothing makes sense
Nothing makes sense anymore
Nothing is right
Nothing is right when you're gone

Loosing my breath
Loosing my right to be born
I'm frightened to death
I'm frightened that I won't be strong

I want someone to love me
For who I am
I want someone to need me

Is that so bad?

I want to break our madness
But it's all I have
I want someone to love me
For who I am

Are you going to love me
Yeah
For who I am?

I want someone to love me
For who I am
I want someone to need me
Is that so bad?

I want to break our madness
But it's all I have

I want someone to love me
For who I am
