The first time
That I see your eyes
Then I'm outta sight
The last night
Girl you broke my heart
But I don't care at all
Cause I won't
Won't let go
Won't let

I just won't let you go
My heart is separable
Won't let you go
Oh yeah

I just won't
Love you yeah
Love you girl
This time

Oh yeah
I just won't let you go
My heart is separable
Won't let you go
Oh yeah
And I just won't
Love you, yeah
Love you, girl
This time
