If time was still
The sun would never never find us
We could light up
The sky tonight
I would see the world through your eyes
Leave it all behind

If it's you and me forever
If its you and me right now
That'd be alright
Be alright

We'll chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me

Oh yeah
Gonna fly with me now

Now the past
Can come alive
And give it meaning
And a reason
To give all I can
To believe once again

If it's you and me forever
If it's you and me right now
That'd be alright

Be alright
We'll chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me

Maybe you were just afraid
Knowing you were miles away
From the place where you needed to be
And that's right here with me

It's you and me forever
You and me right now

That'd be alright
We'll chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly with me

If it's you and me forever
If it's you and me right now
I'd be alright
Be alright
We'll chase the stars to lose our shadow
Peter Pan and Wendy turned out fine
So won't you fly
Fly
Fly with me
