I don't think I ever really knew
I don't think I ever really saw
I don't think I ever really felt
I don't think I ever, ever

How deep is your love?

Room for two, fuel for thought
My new dress, stocking's caught
Kiss my mouth, taste my tears
Let them fall with all my fears
Talk to me, say my name
Hold me down, say it again
Rise for me like moon for sea
Rise for me like poem to pen

I don't think I ever really knew
I don't think I ever really saw
I don't think I ever really felt
I don't think I ever, ever

How deep is your love?

Stay with me precious wild
Stay with me, hold me awhile
Love me like a little child
Stay baby...
Let them talk in this cheap town
We will burn the old house down
Cuz I love you crazy, love you blind
Love you til the end of time

Room for two.... kiss my mouth
Room for two, fuel for thought
My new dress stocking's caught
I.... Room... Two.... Caught....Let them Talk

I don't think I ever... Kiss... Kiss my mouth
I don't think I.... Taste my tears
I don't think I ever.... Let them talk.... Hold me down....
Say my name
I don't think I.... How.... Deep... Think..... Talk...Tears....

How deep is your love?
How deep is your love?
