It's the little failures every day that take you far away
Take you far away from here
Fail to notice, fail to speak, fail to toe the line
Fail to keep the coast clear

You'll kick the tiny silver shoes and linger in the hall
The light's out in the living room
You'll make some coffee then you'll go drive blindly
toward the moon
All the monuments in bloom

I guess we didn't fool anyone
For any part of the time

Shame on us
Shame on love
Shame on us
Shame on love

Sometimes resignation calls me
Sometimes it's just fear poisoning the sound of your
name
There's nothing left here to amuse me no one left to
blame
All the players folded from the game

And I guess we didn't fool anyone
For any part of the time

Shame on us
Shame on love
Shame on us
Shame on love

Shame on us
(I'll be tender, I'll be true)
Shame on love
(Still in love with you)

Shame on us
(I'll be tender, I'll be true)
Shame on love

(Still in love with you)
