The second star to the right  
shines in the night for you  
to tell you that the dreams you plan  
really can come true.

The second star to the right  
shines with a light so rare.  
And if it's Never Land you need,  
its light will lead you there.

Twinkle, twinkle, little star,  
so we'll know where you are.  
Gleaming in the skies above,  
lead us to the land we dream of.

And when our journey is through,  
each time we say good night,  
we'll thank the little star that shines  
the second from the right.
