'Cause you are there in my dreams
And in my days like you've always been
I've got a river of kin, a footbridge of neighbors
The rest of my little world is full-fledged strangers
Full-fledged strangers

You think you know me, think it's just a matter of time
'Til you make me see the depth of your sincerity
But I can't shake this, the way on is no longer clear
And the bridge is out, and the woods are dark and
dear

I could get lost for trying
All my fears in ambush on the way
'Cause they are there in my dreams
And in my days like they've always been

I'm waiting and there's still no one to meet my train
I'm waiting and there's no one but myself to blame
I'm waiting and there's still no one to meet my train
Waiting for you

Love is love it could have gone either way
'Cause it is also love that walks away
And I'll take one step back
And pull the wool back over your eyes and I'll walk on

'Cause you are there in my dreams
And in my days like you've always been
I've got a river of kin, a footbridge of neighbors
The rest of my little world is full-fledged strangers
Full-fledged strangers

I'm waiting and there's still no one to meet my train
I'm waiting and there's no one but myself to blame
I'm waiting and there's still no one to meet my train
Waiting

I'm waiting and there's still no one to meet my train
I'm waiting and there's no one but myself to blame
I'm waiting and there's still no one to meet my train
Waiting, waiting

There's no one
(Waiting)
There's no one
(Waiting)
There's no one
(Waiting)
There's no one

I'm waiting and there's still no one to meet my train
(There's no one waiting)
I'm waiting and there's no one but myself to blame
(There's no one)
I'm waiting and there's still no one to meet my train
(There's no one waiting)
Waiting
(There's no one)
