Chorus

Forget all your problems
Forget all your worries
God will make a way
Forget all your problems
Forget all your worries
It's a brand new day

Verse 1

He's the God of your salvation
He's the God of all creation
He's the one who'll see you through
He's the Alpha and Omega
Redeemer and my Savior
Here's what you've got to do

Verse 2

He's the God that keeps forgiving
He's the God that keeps revealing
His promises to you
He's the God of every season
The God for every reason
Here's what you've got to do
