Don't let me stop to think about it?  
'Cause I feel a little fear,  
But I'm ready to go.  
Just gotta jump right in and say it.  
Get the courage up to ask,  
Pray that you won't say no.

If I'm not the one,  
Don't expect my heart will understand.  
But I'm not gonna run,  
Till I say these words,  
Can I, be your man?

Refrain

\*\*\*\*\*

Do you love me?  
Do you love me?  
Will you take my hand?

Do you love me? Baby  
Do you love me?  
Will you take my hand?

\*\*\*\*\*

Don't let me fumble in my pocket,  
Where I've got a little ring,  
That I want you, to wear.  
Had both our names engraved on it.  
And I wonder what I'd do,  
If you say you don't care.

I have come prepared,  
Don't expect my heart  
Will ever forgive me, baby.  
If I never dare to speak,  
It's now or never,  
Come what..ever, ba...bay...

refrain

\*\*\*\*\*

Do you love me?

Do you love me? Do you love me?  
Do you love me?  
Do you baby?  
Will you take my hand?  
Will you take my hand?

Do you love me?  
I need to know... .. oh... yeah  
Do you love me?  
Please... Will you,  
Will you take my hand?  
Take my hand?

\*\*\*\*\*

(soft guitar focus)

Ooh, ooh, ooh. Ooh ooh. It's now or never. Come  
what...ever, ba..bay...
