Don't have to worry  
About the clothes you wear  
Do't have to fret  
Baby don't dispear  
Don't be concerned  
If you lose it all  
There is a reason  
Reason for it all

Don't you worry  
Be still tonight  
Don't you worry  
It will be alright

Troubles come  
Cast your care on him  
When you are alone  
He'll take you unto His own

Don't be discouraged  
Baby have no fear  
He won't forsake you  
He will always be there

Don't you worry  
Be still tonight  
Don't you worry  
Everything gonna be alright  
Don't worry  
The battle he'll fight  
Don't you worry  
It's gonna be alright

When the going gets tough  
Don't you give up  
You've come to far to let go  
God has a plan  
A plan for you  
It doesn't matter what your going through
