He said He would  
He said He would  
He said He would  
(repeat x 3)  
He said He would

He said He would supply your every need  
He said He would make everything alright  
According to His riches, He'll provide

He said He would  
He said He would  
He said He would  
(repeat x 3)  
He said He would

He said He would never leave your side  
He said He would always be your guide  
He's not a man that He should lie  
He said He would  
He said He would

He said He would supply your every need  
He said He would make everything alright  
According to His promise He'll provide  
He said He would  
He said He would

He said He would never leave your side  
He said He would always be your guide  
He's not a man that He should lie  
God said He would  
He said He would

He said He would supply your every need  
He said He would make everything alright  
He's not a man that He should lie  
He said He would  
He said He would

My God is faithful

He said He would  
I believe with all my might  
He said He would  
He said He would
