Excuse me, miss, can I have  
Just one dance with you?  
Must admit I was hooked  
The moment I saw you

Candle light atmosphere  
Music in the air  
Your perfume fills the room  
I'm lovin' the clothes you wear

Double-dare you to take  
Take a chance tonight  
Don't resist, I can feel  
That the time is right

So strong  
So strong  
Your love is so strong  
Baby, so strong

Your love is so strong  
So strong  
Your groove is so strong  
Baby, so strong

Tell me this, like to know  
Is there someone else?  
Did you come with your girls  
Or are you by yourself?

If you'd like to be friends  
I'd like to take you out  
Maybe then we can see  
What this is all about

So strong  
So strong  
Your love is so strong  
Baby, so strong

Your love is so strong  
So strong

Your groove is so strong  
Baby, so strong

So strong  
So strong  
Your love is so strong  
Baby, so strong

Your love is so strong  
So strong  
Your groove is so strong  
Baby, so strong

So strong  
So strong  
Your love is so strong  
Baby, so strong

Your love is so strong  
So strong  
Your groove is so strong  
Baby, so strong

So strong  
So strong  
Your love is so strong  
Baby, so strong

Your love is so strong  
So strong  
Your groove is so strong  
Baby, so strong

Girl, I'm feeling like  
Like I'm paradise  
I'm feeling so
