I'm falling in,
I'm falling down,
I wanna begin,
But I don't know how,
To let you know,
How I'm feeling,
I'm high on hope,
I'm really

And I won't let you go,
Now you know,
I've been crazy for you all this time,
I've kept it close,
Always hoping,
With a heart on fire
A heart on fire
With a heart on fire
A heart on fire

Hand in hand,
Sparkling eyes,
The days are bright,
And so are the nights,
'Cause when I'm with you I'm grinning,
Once I was through,
And now I'm winning

No I won't let you go,
Now you know,
I've been crazy for you all this time,
I've kept it close,
Always hoping,
With a heart on fire
A heart on fire
With a heart on fire
A heart on fire

Let me walk through life with you,
Everybody dreams of having what we do,
Like we're holding thunder,
You pull me out from under

No I won't let you go,
Now you know,
I've been crazy for you all this time,

I've kept it close,
Always hoping,
With a heart on fire
A heart on fire
With a heart on fire
A heart on fire

A heart on fire
