I'm driving home  
My baby calls  
Just wants to tell me that she loves me  
The clear blue skies  
They feed my eyes  
Its beautiful as far as I can see

Then reality hits, I wake up from this dream  
My baby's really pissed at me  
And the sky is covered in rain  
So many things are going on  
But im gonna keep on going strong and  
Im gonna be ok  
Today

I get to work and,  
I walk in smiling  
Cuz for once I'm right on time  
Boss looks up, what could it be  
Says I was supposed to be there at 9

Then reality hits and im four hours late,  
Looks like I made a big mistake,  
So I guess I'll just kiss this job goodbye  
So many things are going on but,  
Im gonna keep on going strong and  
Im gonna be ok

Then reality hits I wake up from this dream  
And its all coming down on me  
I just want to run and hide  
So many things are going on but  
I'm gonna keep on going strong  
And I'm gonna be ok

Today

Then reality hits I wake up from this dream  
And its all coming down on me  
I just want to run and hide  
So many things are going on but

I'm gonna keep on going strong  
And I'm gonna be ok

Today
