At first we started out real cool  
Taking me places I ain't never been  
But now, you're getting comfortable  
Ain't doing those things that you did no more  
You're slowly making me pay for things  
Your money should be handling  
And now you ask to use my car  
Drive it all day and don't fill up the tank  
And you have the audacity  
To even come and step to me  
And ask to hold some money from me  
Until you get your check next week

You triflin', good for nothing type of brother  
Silly me, why haven't I found another?  
A baller, when times get hard  
He's the one to help me out  
Instead of the scrub like you  
Don't know what a man's about

Do you pay my bills?  
Do you pay my telephone bills?  
Do you pay my automoto' bills?  
If you did then maybe we could chill  
But I don't think you do  
So, you and me are through

Now you've been maxing out my card  
Give me bad credit, buy me gifts with my own ends  
Haven't paid the first bill  
But instead you're headin' to the mall  
Goin' on shopping sprees perpetrating  
To your friends like you be ballin'  
And now you use my cell phone  
Callin' whoever that you think's at home  
And then when the bill comes  
All of a sudden you be acting dumb  
You don't know where none of these calls come from  
When your mamma's number's here more than one

You triflin', good for nothing type of brother

Silly me, why haven't I found another?  
A baller, when times get hard  
He's the one to help me out  
Instead of a scrub like you  
Who don't know what a man's about

Do you pay my bills?  
Do you pay my telephone bills?  
Do you pay my automo' bills?  
If you did then maybe we could chill  
But I don't think you do  
So, you and me are through

Do do do. Do you pay my bills?  
Do do do. Do you pay my bills?  
Do do do. Do you pay my bills?  
Do do do. Do you pay my bills?  
Do do do. Do you pay my bills?

Do you pay my bills?  
Do you pay my telephone bills?  
Do you pay my automo' bills?  
If you did then maybe we could chill  
But I don't think you do  
So, you and me are through
