Hindsight is 20-20  
I shouldn't have drank that many  
Hindsight is 20-20  
Stop.

Little elevators are far too small for me  
So I ride the big ones  
It's not so fun unless you're OCD  
And you like buttons

Hindsight is 20-20  
I shouldn't have drank that many  
Hindsight is 20-20  
Stop.

Delta representative put me in a room with a stranger  
He's no stranger anymore  
When I peed I never closed the door

Hindsight is 20-20  
I shouldn't have drank that many  
Hindsight is 20-20  
Stop.

Now pretend to speak French.  
Je-bleugh-homme-rare.  
Not literally.
