Taupe mouse, top hat on his head  
Thinks he looks so good  
Puce cat won't get off the bed  
Even though she should  
Indigo monkey's hiding underneath some other  
monkeys  
Nobody even knows she's there

My beige bear doesn't care that he's old  
My beige bear still has four paws to hold  
When it's dark and it's cold  
I reach out for my beige bear

Tan horse, dusty on the shelf  
Too breakable to touch  
Jade snake, happy by herself  
Won't cuddle very much  
Indigo monkey's making trouble when she should be  
sleeping  
Everyone wants to go to bed

My beige bear doesn't care that he's old  
My beige bear still has four paws to hold  
When it's dark and it's cold  
I reach out for my beige bear

Beige bear says that some monkeys might just be  
lonely  
Beige bear says that no monkeys WANT to be bad  
Beige bear says that some monkeys misbehave only  
Because they're sad...

Mauve dog gets the bed just right  
The pillow sinks down deep  
Cream cow moos a soft goodnight  
Now everyone's asleep  
Indigo monkey's lying peacefully with arms around her  
Next to a wise and kindly bear

My beige bear doesn't care that he's old  
My beige bear still has four paws to hold

When it's dark and it's cold  
I reach out for my beige bear
