My monkey gets busy sometimes  
My monkey's got a lot of stuff he's gotta think about  
My monkey gets tired sometimes  
My monkey wishes he was something you could do  
without

Cause every monkey needs alone time  
To eat bananas in the sunshine  
It's feast or famine it's a fine line  
It doesn't mean my monkey doesn't love you

[My monkey butler Brian Dennehy screwed up again  
and he's sorry]  
[My monkey he loves you My monkey loves you very  
much]  
[My monkey says My monkey says]  
[My monkey says he's sorry he's a monkey but he's got  
to be a monkey and there's nothing he can do]

My monkey gets frazzled sometimes  
My monkey has an ulcer and a stressful time at work  
My monkey gets bitter sometimes  
My monkey's not the only one who's acting like a jerk

And while he doesn't like to name names  
And he's not trying to assign blame  
It's hard to focus on his own game  
It doesn't mean my monkey doesn't love you

[My monkey butler Brian Dennehy screwed up again  
and he's sorry]  
[My monkey he loves you My monkey loves you very  
much]  
[My monkey says My monkey says]  
[My monkey says he's sorry he's a monkey but he's got  
to be a monkey and there's nothing he can do]

My monkey gets angry sometimes  
My monkey says a lot of things he doesn't really mean  
My monkey gets lucky sometimes  
My monkey thinks that you're the bestest girl he's ever

seen

He says he'll stay with you for always  
It doesn't matter what the job pays  
Cause everybody has their bad days  
It doesn't mean my monkey doesn't love you

[My monkey butler Brian Dennehy screwed up again  
and he's sorry]

[My monkey he loves you My monkey loves you very  
much]

[My monkey says My monkey says]

[My monkey says he's sorry he's a monkey but he's got  
to be a monkey and there's nothing he can do]

It doesn't mean my monkey doesn't love you
