Heya Tom, it's Bob from the office down the hall
Good to see you buddy, how've you been?
Thing have been OK for me except that I'm a zombie
now
I really wish you'd let us in
I think I speak for all of us when I say I understand
Why you folks might hesitate to submit to our demand
But here's an FYI: you're all gonna die screaming

All we want to do is eat your brains
We're not unreasonable, I mean, no one's gonna eat
your eyes
All we want to do is eat your brains
We're at an impasse here, maybe we should
compromise:
If you open up the doors
We'll all come inside and eat your brains

I don't want to nitpick, Tom, but is this really your plan?
To spend your whole life locked inside a mall?
Maybe that's OK for now but someday you'll be out of
food and guns
And then you'll have to make the call
I'm not surprised to see you haven't thought it through
enough
You never had the head for all that bigger picture stuff
But Tom, that's what I do, and I plan on eating you
slowly

All we want to do is eat your brains

We're not unreasonable, I mean, no one's gonna eat
your eyes
All we want to do is eat your brains
We're at an impasse here, maybe we should
compromise:
If you open up the doors
We'll all come inside and eat your brains

I'd like to help you Tom, in any way I can
I sure appreciate the way you're working with me
I'm not a monster Tom, well, technically I am

I guess I am

I've got another meeting Tom, maybe we could wrap it
up

I know we'll get to common ground somehow
Meanwhile I'll report back to my colleagues who were
chewing on the doors

I guess we'll table this for now

I'm glad to see you take constructive criticism well

Thank you for your time I know we're all busy as hell

And we'll put this thing to bed

When I bash your head open

All we want to do is eat your brains

We're not unreasonable, I mean, no one's gonna eat
your eyes

All we want to do is eat your brains

We're at an impasse here, maybe we should
compromise:

If you open up the doors

We'll all come inside and eat your brains
