Welcome to my secret lair on Skullcrusher Mountain  
I hope that you've enjoyed your stay so far  
I see you've met my assistant Scarface  
His appearance is quite disturbing  
But I assure you he's harmless enough  
He's a sweetheart, calls me master  
And he has a way of finding pretty things and bringing  
them to me

I'm so into you  
But I'm way too smart for you  
Even my henchmen think I'm crazy  
I'm not surprised that you agree  
If you could find some way to be  
A little bit less afraid of me  
You'd see the voices that control me from inside my  
head  
Say I shouldn't kill you yet

I made this half-pony half-monkey monster to please  
you  
But I get the feeling that you don't like it  
What's with all the screaming?  
You like monkeys, you like ponies  
Maybe you don't like monsters so much  
Maybe I used too many monkeys  
Isn't it enough to know that I ruined a pony making a  
gift for you?

I'm so into you  
But I'm way too smart for you  
Even my henchmen think I'm crazy  
I'm not surprised that you agree  
If you could find some way to be  
A little bit less afraid of me  
You'd see the voices that control me from inside my  
head  
Say I shouldn't kill you yet

Picture the two of us alone inside my golden submarine  
While up above the waves my doomsday squad ignites  
the atmosphere

And all the fools who live their foolish lives may find it  
quite explosive  
But it won't mean half as much to me if I don't have you  
here

You know it isn't easy living here on Skullcrusher  
Mountain  
Maybe you could cut me just a little slack  
Would it kill you to be civil?  
I've been patient, I've been gracious  
And this mountain is covered with wolves  
Hear them howling, my hungry children  
Maybe you should stay and have another drink and  
think about me and you

I'm so into you  
But I'm way too smart for you  
Even my henchmen think I'm crazy  
I'm not surprised that you agree  
If you could find some way to be  
A little bit less afraid of me  
You'd see the voices that control me from inside my  
head  
Say I shouldn't kill you yet  
I shouldn't kill you yet  
I shouldn't kill you yet
