Is Bitter there?
I'd rather talk to her than Disappointed
Though she's not quite as fun as Good and Mad
You better put her on
She can change the game
She can make me say I'm sorry

You throw your hands up in the air and swear you didn't
know
You think the world revolves around you but it doesn't
so you sit and spin
Baby, someone is crazy and it's you
Someone is crazy and it's you
Someone is crazy and it's you

You set the trap
You lie and wait till someone trips the wire
Then you jump out to get your feelings hurt
And you act surprised
How did that get there?
Why does everybody hate me?

We're all familiar with the tragedy of being you
It's hard to show you any sympathy when all you do is
beg for pain
Baby, someone is crazy and it's you
Someone is crazy and it's you
Someone is crazy and it's you

You're all alone
Well maybe that's because you're so unpleasant
You might consider dialing back a bit
Put those claws away
Stop the waterworks
Spend a couple evenings sober

The world's against you, so you think or maybe wish it
was
At least that way someone would care but baby, no one
does, not even you
Baby, someone is crazy and it's you

Someone is crazy and it's you
Someone is crazy and it's you
