sunshine go away today
i don't feel much like dancin
some mans gone he's tried to run my life
i don't know what he's askin
well he tells me i'd better get in line
i can't hear what he's sayin
when i grow up i'm gonna make it mine
these ain't dues i've been payin

well how much does it cost
i'll buy it
the time is all we've lost
i'll try it
he can't even run his own life
i'll damned if he'll run mine...(sunshine)

sunshine go away today
i don't feel much like dancin
some man's gone he's tried to run my life

i don't know what he's askin

working starts to make me wonder
where fruits of what i do are goin
he says in love and war all is fair
but he's got cards he ain't showin

well how much does it cost
i'll buy it
the time is all we've lost
i'll try it
he can't even run his own life
i'll damned if he'll run mine...(sunshine)

sunshine come on back another day
i promise you i'll be singin
this whole world she's gonna turn around
brand new bells will be ringin
