Prince Ali, yes it is he but not as you know him
Read my lips and come to grips with reality
Yes, meet a blast from your past
Whose lies were too good to last
Say hello to your precious Prince Ali

So Ali turns out to be merely Aladdin
Just a con, need I go on? Take it from me
His personality flaws, give me adequate cause
To send him packing on a one-way trip
So his prospects take a terminal dip

His assets frozen, the venue chosen
Is the ends of the earth, whoopee
So long, ex Prince Ali
