[VERSE 1]

I like you, you know I do
Unbelievably cool, you leave me confused
So unaware, of your perfect beauty
I try not to stare, you bring me to my knees

[BRIDGE 1]

You don't know the effect you have on me
I don't know, what to do, to try and make you see

[CHORUS 1]

You are Miss Pretty
Boys, they know it's true
You are Miss Pretty
Girls want to be you
Walking down the street, every man wants to be
yours...

You're so pretty, you're so...

[VERSE 2]

I see you out, dancing around
It leaves me with no doubt, I don't understand
So damn hot, footloose and care free
I'd give all that I've got, to be your fantasy

[BRIDGE 2]

You don't know the effect you have on me
Please tell me what I have to do, to try and make you
see

[CHORUS 2]

You are Miss Pretty
Boys, they know it's true
You are Miss Pretty
Girls want to be you
Walking down the street, every man wants to be
yours...

You're so pretty, you're so...

[MIDDLE 8]

All girls, so pretty, not a patch on you can't you see
And men they fall, at your feet, cos my girl you're so
pretty...

[CHORUS 3]

You are Miss Pretty
Boys, they know it's true
You are Miss Pretty
Girls want to be you
Walking down the street, every man wants to be
yours...

You're so pretty, you're so...
You're so pretty, can I be... ?
