"Afternoon"

You know, it's afternoon

Yeah, yeah

And there's the moon,

so pale

And all the trees are whisperin' and the elves are
whisperin' to me,

that's right

I am, I am

How they whisper so nice

I am, I am

They whisper to me

I am, I am

They whisper to me

I am, I am

Doo-pop doo-pop da-tommy-too-pop

Doo-pop doo-pop da-tommy-too-pop

I am, I am

The wind cries

I am, I am

For you see, it's afternoon

Yeah, yeah

There's the moon, it's so pale

All the plants whisper, the lake and the lilies, they
whisper a song to me

It sounds like this

I am, I am

That's what it sounds like

I am, I am

I am, I am

I am, I am

Doo-pop doo-pop da-tommy-too-pop

Doo-pop doo-pop da-tommy-too-pop

Doo-pop doo-pop da-tommy-too-pop

Doo-pop doo-pop da-tommy-too-pop

I am, I am

I am, I am

I am, I am

I am, I am

Two more times...

I am, I am

I am, I am
