Hey, what's that out there in the park?

Well, I'll tell you what that is, I think it's this

In the park, nearly dark

what do I now hear, hark hark

Is it really leprechauns,

and have they come back to rock 'n' roll?

Yes, it's them there on the lawn

it's been so long since they've been gone

But Mother Nature's leprechauns have come back to
rock 'n' roll

A-dadda-dum-da-da-da-da-da-la-da

Hum-da-da-da-da-da-da-da-la

Hum-da-da-da-da-da-la

They've come back to rock 'n' roll

A-dadda-dum-da-da-da-da-da-la-da

Hum-da-da-da-da-da-da-da-la

Hum-da-da-da-da-da-la

They've come back to rock 'n' roll

See them rockin' and a-rollin', they're wobblin' and a-
wiggling'

And they're fumblin' and a-gigglin', well they're here to
rock 'n' roll

Well, they're a-rockin' and a-rollin', and they're wobblin'
and a wigglin'

Well, they're rockin' and a-gigglin', oh they're here to
rock 'n' roll

Well, they're sorta bein a sideways, get no slid

They're plain to see and they're hardly hid

Well, they don't act now like they used to did

And they done come back to rock 'n' roll

Well, how they doin' and how they been?

Glad to see them all back again

Well, they're Mother Nature's leprekins

and they done come back to rock 'n' roll

Hum-dadda-dum-da-da-da-da-da-la-da

Hum-da-da-da-da-da-da-da-la

Hum-da-da-da-da-da-la

They've come back to rock 'n' roll

Hum-dadda-dum-da-da-da-da-da-la-da

Hum-da-da-da-da-da-da-da-la

Hum-da-da-da-da-da-la

They've come back to rock 'n' roll
