His friends would say stop whining,  
They've had enough of that,  
his friends would say stop pining,  
theres other girls to look at,  
they've tried to set him up with Tiffany and Indigo,  
But there's something about Mary that they don't know.

Mary.... there's just something about Mary

Well his friends say: "Look lifes no fairytale."  
Then he should have some fun he suffered long  
enough,  
Well they may know about domestic and imported ael.  
But they dont know a thing about love.  
well his friends would say he's dreaming and living in  
the past  
but they've never fallin in love so his friends need not  
be asked  
his friends would say be reasonable his friends would  
say let go.  
But there's something about Mary that they don't know.  
Mary, there's just something about Mary.
