"How About You"

How well do I remember how Jesus brought me through
I walk the floor and pray a night or two
I said, "Lord take and use me, that's all that I can do
And I gave my heart to Jesus, how about you?"

How about you, oh, how about you?
I hope my Savior is your Savior too
I said, "Lord take and use me, that's all that I can do
And I gave my heart to Jesus, how about you?"

When shadows overtake me and troubles start to brew
And when I've done the best that I can do
My best friends talk about me, sometimes my kinfolks
too
But I take it all to Jesus, how about you

How about you, oh, how about you?
I hope my Savior is your Savior too
My best friends talk about me, sometimes my kinfolks
too
But I take it all to Jesus, how about you?
