So long we've been married, life's burdens we carried
Though they kept us humble and made our love true
The plans that we made up, someone seems to break
up
Oh, darlin', what else can we do?

We may have to leave here to find peace of mind, dear
Some place where we can live a life all our own
For I know you love me and happy we could be
If some folks would leave us alone

While I go out walkin' there's lots of loose talkin'
They say we're unhappy and we'll break apart
But, darlin', it's not true because I still love you
And I do with all of my heart
We may have to leave here to find peace of mind, dear
Some place where we can live a life all our own
For I know you love me and happy we could be
If some folks would leave us alone

They say you are leavin', that you are deceiving
But you tell me they say the same about me
But we'll show them they're wrong that loose talk will do
harm
And hope that the truth they will see

We may have to leave here to find peace of mind, dear
Some place where we can live a life all our own
For I know you love me and happy we could be
If some folks would leave us alone
